

## LOAN AGREEMENT

This LOAN AGREEMENT, dated as of March 19th, 2008 by and between PUERTO RICO HIGHWAY AND TRANSPORTATION AUTHORITY (the "Authority" or the "Borrower") and GOVERNMENT DEVELOPMENT BANK FOR PUERTO RICO (the "Bank" or the "Lender"),

### WITNESSETH

WHEREAS, the Authority is performing certain improvements to its facilities, which are included in its Construction Improvement Program for fiscal year 2008 (the "Program");

WHEREAS, the Authority needs an interim financing to continue the acquisition, construction, equipping, installation and development of the certain additional improvements to the Authority's facilities included in the Program;

WHEREAS, the Bank is willing to provide such interim financing in an amount not to exceed ONE HUNDRED FORTY MILLION DOLLARS (\$140,000,000.00) in accordance with the terms and conditions herein below set forth; and

WHEREAS, the Lender has determined to finance the loan to the Borrower with the proceeds of the next bond issue to be made by the Authority;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 
1. Subject to the terms and conditions contained herein, the Lender hereby agrees to provide the Borrower from time to time a non-revolving line of credit in an aggregate principal amount not to exceed ONE HUNDRED FORTY MILLION DOLLARS (\$140,000,000) for the purpose of financing costs incurred or to be incurred in the acquisition, construction, equipping, installation and development of additional improvements to the Authority's facilities included in the Program, chargeable to the capital account of the Authority and included in the Program (the "Line of Credit"). Proceeds of the Loan will be used to pay such costs or to reimburse the Authority's Construction Fund, created and established under Resolution No. 68-18, adopted by the Authority on June 13, 1968, as amended, (the "1968 Resolution"), or the Authority's Construction Fund created and established under Resolution 98-06 adopted by the Authority on February 26, 1998, as amended, (the "1998 Resolution") (collectively, "the Resolutions"), for the payment of such costs. The Line of Credit shall be evidenced by a Note for the principal amount of ONE HUNDRED FORTY MILLION DOLLARS

(\$140,000,000), subscribed on this same date by the Borrower and payable to the order of the Lender.

- 
2. The Borrower may borrow the Loan in one or more drawings ("Drawings") only for the eligible purposes or concepts approved by the Resolution 8804 from the Bank's Board of Directors as adopted on February 20, 2008. The Borrower shall request each Drawing by written notice to the Lender, with at least three days notice prior to the Drawing, signed by the Borrower's Executive Director or any officer authorized by the Executive Director including a description of the projects to be financed. The Lender shall fund the requested Drawing on the date requested in such notice (which must be a Banking Day). Notice of Drawing from the Borrower, once received by the Lender, shall be irrevocable. For the purposes of this Agreement, "Banking Day" means a day on which commercial banks are open for business in San Juan, Puerto Rico.
  3. The principal amount of the Line of Credit shall mature and be due and payable on June 30, 2009. The Borrower hereby agrees to repay the outstanding aggregate principal amount of the Loan at the principal office of the Lender in San Juan, Puerto Rico, from proceeds of bonds to be issued by the Authority pursuant to the provisions of respective sections of the Resolutions. The maturity of the Loan shall only be extended by written consent of the President of the Bank, but in no event will the maturity of the Loan be extended beyond June 30, 2011. Each Drawing shall bear interest daily from the date such Drawing is made until its repayment at a variable rate of interest, which rate may be revised monthly, per annum equal to the Lender's cost of funding for tax-exempt or taxable variable rate loan transactions or the cost of any other obligations or source of funds used to fund the Loan. For purposes of the preceding sentence, the cost of funding shall mean the applicable cost of any source of funds used to fund the Loan, plus in either case, a required margin cost. Initially, this required margin cost will be equal to 150 basis points. The required margin cost may be revised from time to time by the Lender to such an extent that when added to the applicable cost of funds, the interest rate so determined and applicable to the Loan will provide for a total coverage of what the Lender determines to be its "all-inclusive" funding costs.

Interest shall be payable monthly in arrears not later than the tenth (10th) Banking Day (as defined herein) following receipt from the Bank of the statement referred to in the next sentence of this paragraph, from any available moneys of the Authority. Not later than the fifth (5<sup>th</sup>) Banking Day of each month the Bank shall furnish to the Authority a written statement showing the amount of interest due and payable by the Authority on the Line of Credit for the preceding month. The Line of Credit may be prepaid at any time by the Authority without penalty or premium. The Line of Credit shall be junior and subordinate to outstanding bonds

of the Authority and shall be subject to certain other terms and conditions, all as contained in this Loan Agreement.

- 
4. Payment of principal and interest on the Line of Credit shall be made in any coin or currency of the United States of America, which at the time of payment shall be legal tender for the payment of public and private debts.
  5. The Borrower covenants that it will acquire, construct, equip, install and develop the additional improvements to the Authority's facilities, the cost of which is being financed or refinanced from the Line of Credit in accordance with law and all requirements of all governmental authorities having jurisdiction in respect thereof, and that it will complete such construction with all expedition practicable and that such buildings, structures, other facilities and improvements to be constructed will be constructed in accordance with plans and specifications which shall have been prepared by an architectural or engineering firm or corporation having a favorable repute for skill and experience in such work; provided, however, that the Borrower may use its own staff of engineers and architects for the preparation of any such plan or specifications.
  6. No amendment or waiver of any provisions of this Agreement or consent to any departure by the Borrower herefrom shall be effective unless the same shall be in writing and signed by the Lender and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
  7. Any notices which may be given to either party hereunder shall be in writing, and if addressed to the Lender, sent to the offices of the Lender located at Roberto Sánchez Vilella f/k/a Minillas Government Center, de Diego Avenue, San Juan, Puerto Rico, 00940, Attention: Mr. Luis Alfaro, or to such other address or person as the Lender may hereafter notify the Borrower in writing, and if addressed to the Borrower, sent to the address of the Borrower: Puerto Rico Highway and Transportation Authority, Roberto Sánchez Vilella f/k/a Minillas Government Center, de Diego Avenue, San Juan, Puerto Rico, 00940, Attention: Ing. Luis M. Trinidad Garay, or such other address or person as the Borrower may hereafter notify the Lender in writing. Any such notice, if delivered personally or by telex, telegram or facsimile transmission, shall be effective on the date when given, and if sent by mail, shall be effective three (3) Banking Days after posting.
  8. The Borrower shall from time to time, upon request by the Lender, promptly provide the Lender with such information as to its finances and operations as the Lender shall reasonably request.
  9. If there is no disbursement activity on the Line of Credit for a period of six months after its approval by the Bank, the Line of Credit will be canceled by the Lender.

10. The Borrower waives the requirements of demand, presentment, protest, notice of dishonor, and, in general, any other legal formality.
11. If the Borrower defaults in making any payment when due under this Agreement, the Lender may declare the Loan to be immediately due and payable. In case of recourse to the courts by the Lender in order to collect the whole or any portion of the principal or interest due, the Borrower agrees to pay a liquidated sum equal to 10% of the amount of the Loan to cover expenses of such proceedings, court costs, disbursements and attorney's fees, which amount will become immediately due and payable upon the filing of such judicial proceedings.
12. This Agreement shall be binding upon and inure to the benefit of the Borrower and the Lender and their respective successors and assigns. The Lender may assign to any other financial institution all or any part of, or any interest in, the Lender's rights hereunder and in the Loan, and to the extent of such assignment such assignee shall have the same rights against the Borrower hereunder as does the Lender. The Borrower may not assign any of its rights nor delegate any of its obligations hereunder without the Lender's prior written consent. This Agreement shall be governed by, and the rights and obligations of the parties hereunder shall be construed in accordance with the laws of the Commonwealth of Puerto Rico.
13. This Agreement shall constitute a declaration of official intent of the Lender and the Borrower pursuant to Treasury Regulation Section 1.150-2.

IN WITNESS THEREOF, the Borrower and the Lender have caused this Agreement to be executed and delivered by their respective officers thereunto duly authorized, as of the date first above written.

  7. On the date hereof, the Borrower issues and executes a document titled Fourth Allonge to Promissory Note, which has been attached to the Promissory Note, as an integral part of this Agreement, with the purposes of incorporating to said Promissory Note the agreements and amendments herein contained.
